ST. BALDRICK'S FOUNDATION GET INVOLVED

**BE A SHAVEE**

Go ahead – throw vanity out the window. We dare you to experience the brilliance of being bald while raising funds for life-saving research. Your fundraising efforts will raise much-needed research support and your bald head will be a display of solidarity with kids who have cancer – most of whom don't get to choose how to style their hair today. Give them the best chance for a cure!

**How does it work?** First, register online, upload a photo of yourself with hair and share why you've chosen to brave a shave. Next, email family and friends, asking for financial support and while you're at it, invite them to see you go bald when you go to your local St. Baldrick's event and face the clippers. It's easy!

So you've decided to shave your head? That's fabulous, let's get started!
